**Here's How you can Help!** Help Us:

Pilot the *Transparency in Maternity care Project* in New York City in 2007;

Bring the *Transparency in Maernity Care Project* to your community in 2008;

Develop the *Transparency in Maternity Care Project* for the international market in 2009;

Develop the survey content. Be one of our testers for the survey and give us your feedback;

Obtain hospital intervention rates for your state.

We need volunteers to help us in all areas of this project. If you are passionate about improving maternity care and want to do what you can to bring this project to your community, contact us! If you have skills in marketing, fundraising, organizing, writing, editing, programming - you name it - we would love to hear from you.
